8 INJURED IN 2 ACCIDENTS OVER WEEKEND

Eight persons were injured in auto accidents Sunday afternoon.

Mrs. Warren C. Bushey, Biglerville R. 2, received injuries, and underwent X-ray examination today after a car in which she was a passenger was in a collision at 6 o'clock Sunday evening two miles north of Bendersville at the intersection of the Bendersville - Pine Grove Furnace Rd. with a legislative route.

State police said Mervin L. Myers, 44, Carlisle, was driving south on the Bendersville - Pine Grove Rd. while Warren C. Bushey, 44, Biglerville R. 2, was traveling east on the legislative route. The two vehicles met in the intersection causing \$300 damage to each of the cars.

7 HURT IN CRASH

Seven were hurt, two seriously, in an accident at 3:30 Sunday afternoon five miles north of Hanover on the Carlisle pike.

State police said Francis C. Keefer, 21, 24 N. Fourth St., McSherrystown, was driving south when his car struck the rear of another southbound vehicle operated by Walter C. Warehime, 55, of Hanover. The Keefer car then veered into the northbound lane and smashed head on into a car operated by Mrs. Kay J. Brady Stitt, 59, Chambersburg. Police said the Warehime car was slowing for traffic ahead which was reducing speed because of a car about to make a turn, when the Keefer car came over a hill and was unable to halt quickly enough to avoid the car ahead.

Damage was estimated at \$1,500 to the Keefer car which was demolished, at \$1,000 to the Warehime car and \$150 to the 1953 Stitt vehicle which also was listed as demolished.

SERIOUSLY INJURED

In a serious condition at the Hanover Hospital was Robert Larry Gladhill, 23, Littlestown R. 2, who had been a passenger in the Keefer auto. He had severe lacerations of the head and face and a possible skull fracture.

Coldest Oct. 12 On Record Here

The coldest Columbus Day on record in Gettysburg in 61 years.

That was the distinction registered for this morning in local weather annals when the mercury dropped to 26 degrees at The Gettysburg Times weather station. There were unofficial readings in rural areas as low as 20 degrees.

The only close approach to today's low mark in local weather history since continuous records were begun in 1903 was on October 12, 1906, when the low was 27 degrees. The temperature never has dropped below the 30-degree mark on this date since that time — until today.

This morning was the third with below-freezing temperatures so far this month. The low Sunday morning was 30 degrees and last Thursday morning another 61-year record was set for that date with a low of 29 degrees.

Sunday's high here was only 57 degrees.

JUDY ALLISON IS TOP WINNER IN HORSE SHOW

Miss Judy Allison and Miss Deborah Tussing were the top winners Sunday afternoon in the annual Junior Horse Show held by the Gettysburg Riding Club at the club's ring in the Twin Lakes area.

Miss Allison won three first places, the English pleasure horse for those aged 13 to 18, the horsemanship for those aged 13 to 18 and the break and out event.

Miss Nancy Heltzel won first place in the open costume competition in which each rider appeared in the costume of some character. Miss Heltzel appeared as Dr. Kildare, and as part of the "costume" had bandages on the horse. Deborah Tussing was second, appearing as "Minnehaha."

OTHER WINNERS

The Adams County 4-H Light Horse and Pony Club put on a demonstration of precision drill on horseback during an intermission in the show.

Placings in the competition included:

Horsemanship (rider 12 and under) Deborah Tussing, Mary Louise Robert, Thomas Heltzel, Michael Bollinger; English pleasure (rider 13 to 18) Judy Allison.

Band Members To Begin Peanut Sale

The annual sale of "Prom peanuts" to help raise funds for the Gettysburg High School bands will begin this evening about 5 o'clock.

Harry Biesecker, president of the Band Boosters Club of the high school here, said the parents will drive the members of the bands to various locations and the youths will then begin a door-to-door campaign selling bags of peanuts.

The organization hopes to complete the canvass by the end of the week.

Each year the band sells about \$1,200 worth of peanuts, clearing about \$400 for band use, Biesecker said.

Russia Sends Three Men Into Orbit; Are Circling Earth Every 90 Minutes

By HENRY S. BRADSHAW MOSCOW (AP) — The Soviet Union put a space ship with three men aboard into orbit today, Tass announced. It is the world's first space vehicle to carry more than one person.

The Soviet news agency said the crew was composed of Col. Vladimir Komarov, the pilot; Konstantine Feoktistov, a scientist, and Dr. Boris Yegorov, a physician.

It said the space ship, named Voshkod — sunrise — had been put into orbit close to its planned route and was circling the earth every 90 minutes.

"Two-way radio communications are maintained," said Tass. "The ship's crew report they withstood quite well the launch and the transition to weightlessness. All three feel fine."

FLIGHT PURPOSES

The announcement gave no indication how long the ship would stay aloft.

FIREMEN OF COUNTY STAGE EXHIBITIONS

Adams County firemen demonstrated skills and equipment Sunday afternoon at Littlestown's playground as part of the firemen's observance of Fire Prevention Week.

James Hawn of Littlestown's Alpha Fire Company, general chairman for the day, assisted by County Fire Marshal John W. Murren, directed various events including a relay in which seven fire companies took part.

The relay pumped water from a hydrant on a street just off the playground, across the playground to the school. A Littlestown pumper was at the hydrant pumping water to an Irishman truck which in turn relayed the water to a Gettysburg truck which pushed it to Midway apparatus, to a York Springs truck, to a Brushtown pumper which in turn kept the water going to Bonneville's new fire truck. Bonneville firemen manned the nozzles to throw the water in the demonstration.

RESCUE DEMONSTRATION

McSherrystown put on a demonstration of rescue work and including picking up "injured" in stretchers, and also displayed use of various equipment from the company's rescue truck including the portable generator to provide electric power, use of masks, use of a smoke ejector, and use of various resuscitating equipment.

Each of the fire companies present put on individual demonstrations of use of equipment brought to the county-wide display. Some showed how quickly water could be brought to bear on a fire by use of booster tanks. Those companies with such equipment showed use of lines from a moving truck against grass fires.

Fire prevention literature was distributed to spectators as part of the program. Reports at the gathering showed most fire companies during the week held school fire drills and other activities as part of the week's observance.

VANDALS AND THIEVES BUSY

Borough police received a number of reports of thefts and damage over the weekend.

John LeMay, 28 E. Water St., reported at 3:30 Saturday afternoon that someone had stolen his bicycle at the college. It was described as of English make, with a black and white seat, a basket on the front and the right handle grip missing.

Robert Pyles, 415 Baltimore St., reported Sunday evening at 9 o'clock that someone had stolen a spare tire, a jack, chains and some tools from his car when it was parked behind his home. The loss was estimated at \$50.

William Maus, 31 E. Middle St., reported Sunday evening at 9:20 that someone had stolen his car parked behind the Hoagie House on York St. The vehicle had no registration plates on it, was a light green, four-door sedan, with no grille.

Fifty Watch Estranged Hubby Try To Choke Wife On York St. But None Helped Her

Albert R. Bollinger, 166 York St., was arrested by borough police Sunday afternoon at 12:30 when he allegedly choked and beat his wife in the middle of York St. near its intersection with Stratton St.

Borough Policeman Paul B. Shearer said he was directing traffic at Lincoln Square when he heard people near the Elks home shouting for a policeman.

Traffic at the time was halted in the square on both sides of York St. and Officer Shearer went down York St. between the two lanes of halted traffic. When he neared Stratton St. he saw Bollinger choking Bollinger's wife, Opal.

NO ONE INTERFERED

Shearer said Bollinger's hand was cut and bleeding badly. Shearer said he had some difficulty in separating Bollinger and his wife.

According to the officer, he learned from the interrogation later that Bollinger was driving east on York St. when he saw a westbound car halted by the traffic.

Bollinger's wife, Opal, from whom he has been separated for two years, according to the officer, was in the westbound car with a man. Bollinger stopped his car immediately, halting the flow of traffic in that lane, ran to the other car, broke two windows, apparently with his hand, and pulled his wife out of the car. He then began choking her in the middle of the street.

Officer Shearer said "at least

Joseph Anthony Smith, 6-year-old son of Mr. and Mrs. Richard Smith, Hanover R. 5, is in critical condition in the Hanover Hospital suffering from what is feared is a depressed fracture of the skull after he had been struck by a car about 8 o'clock this morning in front of the Conewago engine house. Mysterious Caller Says Kidnap Officer Will Be Tried At Secret Court

CARACAS, Venezuela (AP) — A force of 3,000 police and National Guardsmen pressed the search today for the deputy chief of the U.S. Air Force mission to Venezuela who was kidnapped by Communist terrorists.

A caller identifying himself as a leader of the outlawed pro-Castro Armed Forces of National Liberation (FALN) said the terrorists would try Lt. Col. Michael Smolen before a secret tribunal on charges of interfering in Venezuelan affairs.

Worried officials conceded they had no clues in the abduction of the 45-year-old Chandler, Ariz., officer from in front of his Caracas home Friday morning by five armed terrorists.

ACT OF REPRISAL

Identifying himself as Commandante Tulio of the FALN, the caller said the kidnapping was in reprisal for a military crackdown on the FALN guerrillas.

A FALN statement labeled the abduction "Operation Viet Cong." This was a reference to

Three Fined For Throwing Apples

Three youths have been arrested by the state police on charges arising from throwing apples from a moving car.

State police said Sidney F. Williams, 18, Fifth St.; Barry J. Sease, 18, 54 W. High St., and Bradley A. Redding, 19, Gettysburg R. 3, pleaded guilty before Justice of the Peace Clarence Fritz to charges of malicious mischief placed by the officers after the three had thrown apples while driving past homes along Biglerville R. 2 and one of the apples broke a window in one of the houses. All paid fines and costs on the charges.

Police said the three will receive 10-day notices also from the justice, charging them with throwing missiles from a moving auto, based upon throwing apples from the car at other autos.

NIGHT CLASS ENROLLMENT SETS RECORD

A total of nine classes have been established in the evening adult classes at Gettysburg High School with a new high enrollment figure of 140 for a first semester, Jack R. Corbin, evening school director, said today.

Due to a preference of those adults now enrolled in the general math course, the first session meeting time has been changed from Thursday evening to Monday evening. If additional pupils enroll for math this evening by 7:30 o'clock with the instructor in Room 201 of the senior high building, the math class will be continued, Corbin said. This course by request of those now enrolled will include instruction in a review of junior high math with an introduction to high school algebra.

Other classes established last Monday which will continue throughout this semester are Spanish, shorthand, typewriting and ceramics. The graphic arts printing class will continue only if additional pupils enroll by 7:30 o'clock this evening with the instructor in Room 116 of the senior high school.

A welding class and a conversational German class represent the newest offerings in the evening school curriculum.

Other classes in session are typewriting, shorthand, sewing, oil painting, woodworking, Spanish and ceramics.

200 Scouts At Weekend Camp

Approximately 200 Boy Scouts and leaders attended the annual Jack Frost nature course of Conewago Boy Scout District Saturday and Sunday at Camp Conewago, Dick's Dam.

Church services for Protestant Scouts Sunday were in charge of Carroll Shorb, Sunday School teacher at Emory Methodist Church, New Oxford. Catholic Scouts attended Mass at nearby churches.

FAMILY OF 7 IS HOMELESS AFTER BLAZE THIS MORNING

A Gettysburg R. 3 couple and their five small children were made homeless this morning when their home along the Belmont Rd., about midway between the Lincoln Highway and the Mummasburg Rd., was badly damaged by fire.

Gettysburg firemen, summoned at 8:55, called Cashtown firemen to assist when they arrived and found the second story of the two-story frame home of Mr. and Mrs. William Cullison afire.

Fire Chief Robert Hartman said the blaze apparently started from an overheated stove and listed damage at \$3,500. The fire, he said, burned out the ceiling of the first floor and destroyed everything in the two rooms on the second floor. Considerable damage to the first floor from water and fire was reported. A parakeet succumbed, apparently to the combination of smoke and heat.

NO ONE INJURED

Mrs. Cullison and the five children were in the house when Mrs. Cullison smelled smoke and found the structure ablaze. With the aid of her father, David Davis, who resides nearby, she got the children out of the house before anyone was harmed by the fire.

The Cullisons have two sons, one a month old and the other five years old and three daughters, aged one, three and four years.

Cullison was at work with Battlefield Earthmoving on a project at Gettysburg College when Russell Maitland, owner of Battlefield Earthmoving learned of the fire, drove to the college and took Cullison to his home.

SEEK AID FOR FAMILY

The family temporarily is staying at the Davis home but Cullison said he hoped to obtain other quarters soon. He said the four-room house in which the family had resided seems so badly damaged it is probably beyond repairing and will have to be completely replaced. There was a small amount of insurance on the house but none on the furniture and clothing, most of which was destroyed by the fire.

Gettysburg firemen sought donations of clothing for the children. Stocks of clothing on hand at the engine house, retained from fire when donations of clothing do not fit victims, do not contain a large amount of articles for smaller youngsters, Donald Jacobs, custodian of the fire house, said.

The Adams County committee is an authorized affiliate of the Eastern Pennsylvania Division and has been confirmed to concentrate on the promotion of grassroots action for the GOP ticket in all parts of the county. Thomas Oyler said that all citizens, Democrats, Republicans and Independents, "will be welcomed as volunteers to work in any way they feel they can best be of service to the organization." The organization will work through individuals and community groups for the support of the Republican national ticket.

Mrs. Group said the organization was formed because of local popular demand. Officers may be contacted by writing to Box 97, Gettysburg, or by telephoning individual members of the executive group.

Waynesboro Woman Is Injured In Crash

One person was hurt when two cars collided Sunday night at 10:55 o'clock between Zora and Fountaindale on the Sunshine Trail.

State police said John Spreckin Jr., 19, Scranton, driving west, had halted his convertible on the highway behind a car that had broken down on the road. John E. Knight, 61, Waynesboro, also headed west, was unable to halt quickly enough and his car struck the rear of the convertible, causing \$300 damage to the sedan and \$400 to the convertible. Marie K. Harbaugh, 50, Waynesboro, a passenger in Knight's car, was removed by ambulance to the Waynesboro hospital for treatment to injuries.

2 MIGRANTS ON TRIAL HERE

Trial of two migrant laborers on a charge of robbery by force opened the October term of court here this morning.

Estabon Alzarres Barreto, of Poma, N. J., and Juan Ortiz Penes, of Puerto Rico, both denied on the stand that they took a record player and records from another migrant laborer named Ramos in August.

Barreto testified he and Penes were returning from New Jersey when the event on which they were charged occurred. Barreto said he was drinking rum and went to sleep before they arrived in Adams County and awakened when police were arresting him.

Penes said he met Ramos and Ramos had asked him to drive him to another camp, since he was looking for work. He said Ramos took the articles from his home and put them in the back of Penes station wagon where they were found by police. Ramos said the articles were taken from him by threat of use of a knife.

monauts in orbit were Valerian Bykovsky and Valentina Tereshkova, the first space woman. In separate space ships in June 1963, Bykovsky made 81 orbits in five days and Tereshkova made 48 orbits during the latter part of Bykovsky's flight.

U. S. FLIGHT, '65

Soviet scientists later revealed that the long period of weightlessness caused Bykovsky to suffer temporary effects of low blood pressure, fatigue, emotional and balance instability, and some alterations to bodily chemical properties.

This has put a limit to space flights of about two weeks until the problems can be solved, the scientists said. There was no indication how long the three-man craft would stay up.

The United States is planning to orbit its first two-man spacecraft early next year.

WILL HONOR MOUNT PRIEST

The cornerstone for the new Coad Science Building at Mt. Saint Mary's College, Emmitsburg, will be laid next Saturday afternoon at the Home-coming ceremonies. The structure, which was made possible by contributions from the alumni groups, will be open for public inspection during the weekend.

The building is a tribute to Rev. Fr. Peter A. Coad, 94, dean of the faculties of both the college and the seminary, whose parents died in the Johnstown Flood. He celebrated the 70th anniversary of his ordination into the priesthood last June 23, and teaches a class in Patristic Latin at the seminary three days a week. With the exception of three years at the turn of the century when he studied in Athens, Greece, Fr. Coad has spent his entire adult life on the Mt. Saint Mary's campus. He is a patient in the Warner Hospital having recently broken his hip.

Other highlights of the Home-coming events will include the presentation of the Dubois medal to Brig. Gen. George P. Sampson, deputy director of the Defense Communications Agency, Washington. General Sampson was responsible for the installation of the "Hot Line" linking Washington and Moscow.

The annual Home-coming dance will be held in the Cogan Union building following the alumni dinner Saturday evening.

Heart Attack Is Fatal To Eddie Cantor; Hold Private Burial Service

By BOB THOMAS

HOLLYWOOD (AP) — Eddie Cantor will be buried as he spent most of the last 11 years of his life — apart from the public that made him a top star during a golden era of American entertainment.

Groman Mortuary announced today that funeral services for the 72-year-old comedian, who died of a heart attack Saturday night, will be private.

Cantor was the last of a trio of great comedy figures to pass from the Hollywood scene in recent weeks. Gracie Allen of the Burns and Allen team died Aug. 27, and Harpo Marx of the Marx Brothers succumbed two weeks ago.

BORN IN 1892

Cantor died at his Beverly Hills home. Two of his daughters, Mrs. Natalie Metzger and Mrs. Edna McHugh, were at his bedside. Two other daughters, Marilyn Cantor and Mrs. Janet Gari, live in New York. A fifth daughter, Marjorie, who had been the comedian's secretary, died of cancer May 17, 1959.

Cantor was born Edward Iskowitz in New York City Jan. 31, 1892. He came out of the slums with a vitality that soon captured audiences wherever he performed. A small man, he possessed enormous energy.

"If you know Suzy," he chanted to the audience, tapping his palms together.

"MAKING WHOOPEE"

"We're making whoopee," he sang, with a roll of his immense banjo-eyes that were expressive without being offensive.

"I'd love to spend this hour with you," he sang to radio audiences across the nation.

Two generations became acquainted with the high-pitched voice, the crisp gag line.

With his death, Cantor's great efforts for human causes were remembered. He raised staggering amounts for war bonds during the first and second World Wars, the Heart Fund, Bonds for Israel and other causes.

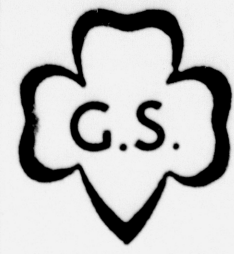

LONG CAREER

Cantor's career spanned the years from amateur night in the Bowery to burlesque to vaudeville to the Zigfield Follies to movies, radio and television.

In 1953, when Cantor was establishing himself in the new medium of television, he suffered a heart attack. That brought an end to his career as an active performer.

In 1962, his wife, Ida, died of a heart ailment.

Big Trailer Upsets On Fairfield Road

A tractor-trailer accident caused minor damages this morning on the Fairfield Rd. when an eight-wheel trailer broke loose from a Pony Express tractor, struck a telephone pole in front of the home of John W. German, Gettysburg R. 2, and upset in the highway.

The only other traffic on the road at the time was an automobile which was following the truck several hundred yards to the rear and was able to stop before striking the vehicle. State police are investigating.

Smolen's wife, Marian, of Rockford, Ill., issued a statement saying she "clings to the hope that no harm will come to my husband." Earlier the Smolen family got a call from another self-described FALN spokesman who said the colonel was safe and unhurt.

Authorities were flooded by calls and tips. Weeding through the calls has hampered search efforts.

None of the latest calls, however, repeated an earlier warning that Smolen would be shot if the South Vietnamese government carried out the execution of Viet Cong terrorist Nguyen Van Troi, 19.

Troi was convicted of trying to mine a bridge outside Saigon over which U.S. Defense Secretary Robert S. McNamara was to pass last May.

Harold Garretson, president of the Fruitgrowers Association, said that the organization this year decided to let roadside market operators and orchard retailers have the advantage of the promotion by urging the public to buy apples.

Individual growers who planned their own programs reported "tremendous crowds."

Boyer's Orchards, Arendtsville, reported "more people than we've ever had on Blossom Sunday" visited their orchards, where a square dance, free cider and apples were featured. Their guests drank 100 gallons of free cider and ate 100 bushels of apples from 11 a.m. until dark. At Hickory Bridge Farms, near Orrtanna, thousands of visitors saw fresh cider flowing from a cider press and relished the free gingerbread served to guests between square dances.

ONE HUNDRED YEARS AGO

Mr. Jacob T. Bushey, of Butler township, has commenced a mill for the preparation of Sorghum, with every prospect of successful operation. He presented us last week with a small quantity of it for trial. It is of excellent quality and we think cannot but come into common use. The cultivation of this article of domestic growth is of great importance and will relieve us of the expensive article brought from abroad.

Capt. Thompson, who was stationed here as Provost Marshall after the battle of Monocacy, we regret to learn, was severely wounded in the late battle in the valley under Sheridan.

SOLDIERS' ORPHANS: The arrangements for the maintenance of the destitute orphans of the soldiers and sailors of the state, under the Act relating to the subject, are now so nearly completed as to enable the State Superintendent to receive applications. The State Superintendent has appointed Geo. W. McClellan, Esq., of this place, chairman of the Superintendent committee for Adams County — Hon. S. R. Russell, Simon Corlori, Mrs. R. G. Harper, Mrs. Geo. Geyer, Mrs. James Pierce and Mrs. Robert Horner, have been appointed his assistants to whom application can be made. In a short time after the receipt of the application an order for the admission to the proper school will be sent by mail to the mother or other applying relative or friend, with necessary instructions. The State will provide clothing, boarding, washing, mending, instruction books, etc., for the orphans, while in the school provided for them, but the relatives are expected to send them thither, without cost to the State, and also to send with them, in as good order as possible, such clothing as they may then have, to be worn till others can be provided for them. It is expected that the school selected for these orphans will be ready for their reception during the month of October.

Sister Martha Sison, said to be the oldest member of the Sisterhood of the Sisters of Charity in this country, died Wednesday at the Convent of Mount St. Joseph's, Frederick County, Md. She was 94 years old and has been in the sisterhood seventy-six years. In early life she carried on her work in all parts of the country. She was a daughter of the late Ezra Didisman of Frederick.

S. E. Wampler of Bendersville

has secured the contract from the South Mountain Iron Company to place cold blast pipes, 250 feet long, in the Forge at Laurel, near Pine Grove Furnace, which will require 1,050 pounds of tin.

Messrs. Simon J. Diller and J. A. Danner will have charge of the Opera House this winter.

The postoffice at Graeffenburg, this county, has been re-established with Mrs. Eliza Spoonour as postmistress.

Today's Talk

LIVE THE
CONSTRUCTIVE LIFE

The people who have the most friends are those who are continually thinking and saying kind things about other people — not tearing them to pieces, and trying to discredit them. We all have enough faults and don't want them advertised!

It is an inspiring sight to see a new building arise from the bedrock of the earth, sometimes replacing an old, useless building that has been razed. We should be continually reconstructing our minds and lives. Read Oliver Wendell Holmes' "The Chambered Nautilus." We should cast from us our "outgrown shell" rebuilding our thoughts and character to such an extent that they tower anew each day and year of our lives.

The body reacts at once to every constructive thought and good act. It is wonderful how the human body reacts to just a little kindness. Kindness, you see, is constructive. So is even a smile.

There continues such a dearth of constructive thought in the world. That is why people's minds are so frequently filled with fear and foreboding. Waves of uncertainty are sweeping the earth. After the last war a man from one of "the down under" countries of Europe was asked if the people in his country thought there might be yet another war. He replied that they had no time to think such as they were too busy reconstructing from the last one. He was amazed at people having such thoughts.

It would be stupid not to be aware of all the perils about us, and to combat them to the full but only with constructive ideas! Too many people look upon current perils and disturbances as of no concern of theirs — but they concern us all — deeply so. "New occasions," said James Russell Lowell, "teach new duties; Time makes ancient good uncouth." We may have to travel with the tide, but we have the opportunity to guide that tide.

If you live the constructive life you will live longest — best! And earn happiness as an additional reward.

BOY'S AUNT

Every boy should have an aunt

To remember when he's grown.

Not his mother to supplant!

Aunts have glories of their own.

Favors many, great and small

Which in manhood he'll recall.

Every healthy, happy lad

Needs an Auntie Bess or Flo

Who'll forgive him when he's bad

And in pity share his woe,

One who willingly will buy

What his parents must deny.

It's an aunt who seems to bake

The most succulent of pies

And the richest chocolate cake

Served in chunks of mammoth size.

It's an aunt who really shares

All a youngster's grave affairs.

And I would think it is too bad

When the years have dwindled out

To be one of those who had

No Aunt Em to tell about,

And have nothing to recall

Of such love then they were

small.

New Township Defeated: The election upon the question of erecting a new township from portions of Huntington and Tyrone townships on last Tuesday was very exciting and animated. The Comet states, "Many of the Tyroneites came into town in crowds with flags in their horses' bridles, presenting a very patriotic appearance, no doubt emblematic of the loyalty with which most of them evidently clung to the old township." The project was defeated by 64 to 268.

GREAT GAME, SAYS ENGLE

WEST POINT, N.Y. (AP) — "We always have a couple of great games in us. This was one of them," Penn State Coach Rip Engle said Saturday after the Nittany Lions upset Army 6-2.

State which lost its first three games, had not defeated Army in the last four years.

The Lions' grudging defense probably saved the game in the waning minutes. With the score 6-0 and less than two minutes to go, the Lions halted a 78-yard Army drive on the 2-yard line.

Four plays later, after Penn State got the ball on downs, punter Frank Hershey allowed himself to be tackled in the end zone for Army's two points. After the safety, the ball was brought out to the 20 where Penn State kicked it.

Bob Riddle scored Penn State touchdown from the 2 to cap a 62-yard drive.

The Nittany Lions play traditional rival Syracuse next week. In the dressing room Saturday, Joe Paterno, assistant coach said, "We're not done yet. Syracuse is in for the same thing next week."

The Lions gave a loud roar and the cry "number one" faded into the cold black Saturday night. Little Albright of Reading once again upset a strong and highly favored Gettysburg College football team 19-15 before a capacity crowd of 8,000 cold fans under the lights of Albright Stadium.

"There is no doubt about it," Bullet Coach Gene Haas said, "they wanted that ball game much more than we did. I thought we were ready. The boys thought they were ready, but they weren't." Gettysburg's two big, strong lions, which have been the Bullets' bread and butter through the early part of the season, faltered under the pounding of the Lion blockers and runners.

It just didn't stop there for the east's top small college. Gettysburg's passing had an off night as it completed 13 of 31 throws for 136 yards. Two of the aerials were intercepted at key points in the contest.

FOURTH FOR LIONS

The loss marked the first of the season for the Bullets who opened with three straight wins. Albright, which finished with a 2-8 record last year, is now on their way to another fine year, considering the Gettysburg game a big hurdle. The Lions are currently 4-0 on the season.

Gettysburg received the opening kickoff and on four plays moved from its 35 to the Albright 48. However, the momentum stopped and quarterback Jim Ward punted to Paul Reid, who was stunted in his tracks on the Lion 17.

Bill Bors and Don Manlove gained a first down to the 31 from where Bors slanted off right tackle and streaked 33 yards to the Gettysburg 36. Eight plays later the ball was resting on the Lion 33. Manlove then banged into the right guard slot and at the 5:36 mark Albright had its first score. Bill Kopp's placement attempt was wide to the left.

Gettysburg buckled down and took the kickoff 66 yards for a go-ahead touchdown. With the ball resting on the Lion 34, Ward hit Dale Boyd with a 14-yard pass and then added 15 more yards with a completion to Joe Egresitz. Tony Presogna roled 12 yards to the Albright 25. Presogna recorded eight more yards on the ground and Ward connected with Dick Masin for 12 yards to the 12. Four plays later, with the ball on the four, Ward tossed the ball into the arms of Ken Snyder for the score. Bob Kinsey booted the placement and Gettysburg led 7-6 with 21 seconds to go in the quarter.

NOONAN RECOVERS

The Bullets made it 13-6 at the 8:27 mark of the second period. Pat Noonan recovered a Frank Herzog fumble on the Albright 32. Ward connected two key passes to Boyd and Snyder for 24 yards and the pigskin rested on the two. Presogna blasted off left tackle for the score. A bad snap from center ended Kinsey's chance for the placement.

Gettysburg threatened again in the second quarter. Mark Snyder recovered another Lion fumble on the Albright 32 and five plays later the Bullets were on the Albright seven. However, Al Hallam fumbled and guard Jon Paris recovered, giving Albright possession on their own eight.

Sparked by Herzog's 33-yard off-tackle jaunt, the Lions drove the 92 yards on 10 plays with quarterback Lew Nevins hitting end Carmon Komunale in the end zone for the last 11 yards and a touchdown. This time Jim Kearns booted the placement and the score was tied with 34 seconds to go in the half.

The third period was a battle across the midfield stripe and the late minutes of the period was devoted to fumbling by both teams. With the count still deadlocked, the fourth period opened with Gettysburg in possession of the ball on its 40. Three plays later the Bullets had moved to the Albright 36, but Gettysburg ran out of downs with the ball back on the 50-yard line.

Following an off-sides penalty, Manlove gave the Lions a little spark with a 26-yard run to the Gettysburg 29. Three plays later Nevins hit Bors for 13 yards to the Lion 16. Manlove and Nevins carried to the five on three plays and at 8:40 of the final quarter, Bors bolted over from the five. Kearns' placement attempt was wide and Albright held a 19-13 advantage.

Gettysburg took the kickoff on their own 34. Three plays later the ball was resting on the 41 at 7:26 to go in the game and a fourth and three situation. Ward decided to go for it and picked up five yards to the Gettysburg 46. The Bullets went on to the move the pigskin to the Albright 15 for a first down. Hallam added one yard. Ward passed incomplete to Boyd. On third down, Ward faded back and connected with Ken Snyder on the one but an illegal receiver nullified the play. Ward's next pass was intercepted on the four by Herzog who ran the ball out to the 15.

With 1:34 to go in the game, Albright ran into the line three times before Nevins was forced to punt. However, the Lion booted took the snap from center and after running out several more seconds on the clock, ran out of the end zone for an intentionally safety and a free kick from the 20.

On the last plays of the game with less than 35 seconds to go, Ward threw incomplete to Snyder. Ward was tossed for a 10-yard loss and an off sides penalty set the Bullets back five more yards. Ward then threw again, this time Manlove intercepted the pass on the Albright 20 and raced back to the Gettysburg 48 as the gun sounded.

Gettysburg will attempt to mend its wounds and bounce back next Saturday against the Engineers of Lehigh. A sell-out crowd has been expected for three weeks through the advanced ticket sale. Saturday's home encounter will also mark the annual Father's Week-end.

2 YANK GIRLS SNARE MEDALS IN OLYMPICS

TOKYO (AP) — Blond Don Schollander brought the United States its first gold medal of the Tokyo Olympics Monday, winning the men's 100-meter free-style convincingly in games record time of 53.4 seconds.

The United States also added three silver and one bronze medal on this second day of competition, while Russia's blonde young Galina Prozumenshikova acquired her country's second gold medal.

TOKYO (AP) — A couple of Arizona girls, Jeanne Collier and Patsy Willard, grabbed the first U.S. medals of the Tokyo Olympics today and the Yankee basketball team continued to roll, but an upset and an injury produced two major disappointments.

Miss Collier, pert 18-year-old high school student from Phoenix, won the silver, or second-place, medal in women's springboard diving, just edging out Miss Willard, from Mesa, who won the bronze.

"I don't know how I did it," the elated, 5-foot-1 Jeanne said. "I'm still too excited to talk."

The Americans' swimming and basketball teams continued to dominate their events as expected.

SECOND CAGE WIN

The basketball team, led by Jerry Shipp of Bartlesville, Okla., and Joe Caldwell of Arizona State University pounded Finland 77-51 for its second straight victory.

Shipp tossed in 18 points and Caldwell contributed 16 in the 40th straight U.S. basketball triumph since the sport was introduced in the 1936 Berlin Olympics.

The swimmers put the maximum three U.S. members in the semifinals of both the women's 100-meter freestyle and the men's 400-meter individual medley.

EXPECT TROUBLE

In the women's event, Australia's Dawn Fraser equaled her own Olympic record with a 1:00.6 but said she expected major difficulty from Sharon Stouder of Glendora, Calif.

Miss Stouder won her heat in 1:02.3, and joined Jeanne Halllock of Arcadia, Calif., and Kathy Ellis of Indianapolis in the semis.

Carl Robie, 19-year-old University of Michigan student, had the fastest time in the 400-meter individual medley, 4:52 flat and moved into the semis with Roy Saari of El Segundo, Calif., and Dick Roth of Alerton, Calif.

The big news for the United States on the second day of competition, however, was the silver medal by Miss Collier. She executed an extremely difficult reverse 1 1/2 somersault with 1 1/2 twist on her final dive, moving from third to second place with a total of 138.36 points.

WINS GOLD MEDAL

Miss Willard had 138.18 and Sue Gossick of Tarzana, Calif., was fourth with 129.70.

A pretty East German girl, defending champion Ingrid Kramer-Engel, won the gold medal with 145.4 points.

The major disappointments came in the form of an upset to welterweight boxer Maurice Fritol, a prime gold medal prospect, and an ankle injury to distance-running sensation Gerry Lindgren.

Lindgren, an 18-year-old from Spokane who captured the track favor of the nation with his exploits as a schoolboy, twisted an ankle while training. It was badly swollen just two days before he is scheduled to run in the 10,000 meters.

Midgets Defeat St. Francis 20-7

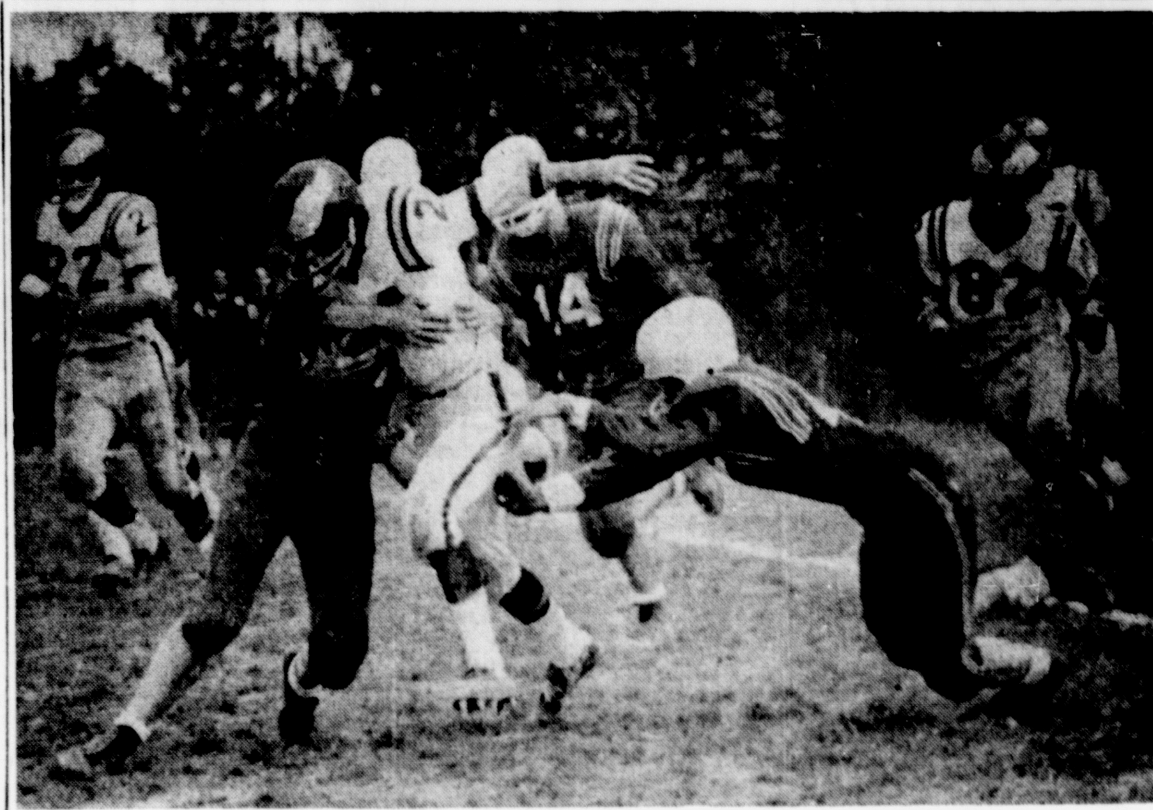

The Gettysburg Midget football team put on a fine team effort of blocking and tackling in opening its season by defeating St. Francis Xavier School 20-7 on Sunday afternoon.

In the first period Briggs and Strickland recovered a fumble in the end zone for a touchdown. Strickland raced 10 yards on a sweep for a score in the second period and Ayre accounted for the extra point on a reverse play. On an option play Maitland scored in the third quarter and Ayre again carried for the point.

St. Francis tallied its lone touchdown in the last period on a 30-yard sweep by Johnson. A plunge by Johnson was good for the point.

Members of the winning squad were: Ends—Ayre, Daniels, Cullison, Hill, Waddell; tackles—Biggs, McIlhenny, Mellot; guards—Greenwalt, Forney, Naugle, Newman, Smith; center—C. Hinkle; backs—Maitland, Musselman, Cline, Bergdale, Stanton, Strickland, Hamilton, Heckman, Prez.

Halfback Mike Hertz of Bermudian Springs is struggling to get an extra yard as two unidentified Patton Trade tacklers try to bring him down. Charlie Smith (14) is the other Tradesman in pursuit of Hertz, while Tom Cashman (22) and Keith Stambaugh (82) are converging on the play to help their teammate. Hertz ran well in the Eagles' 26-6 conquest of Patton Trade on Saturday afternoon at York Springs. (Times Photo)

Bermudian Takes 2nd Victory By Trouncing Patton Trade Team 26-6

Bermudian Springs' Eagles outplayed Patton Trade in every phase of the game Saturday afternoon and waited to a decisive 26-6 win at York Springs. The winners scored in every period, piling up 295 yards along the way, 238 of them on the ground.

The Eagles began driving early in the first quarter, but a fumble on the Patton seven halted the advance, with the Tradesmen recovering the ball on the 11. On a fourth down situation from their own 17, Patton gambled, but fell one yard short and the Eagles had another scoring opportunity.

It only took one play for the Eagles to capitalize as Tom Cashman took a Todd Tanger pitchout and circled end for the six points. Tanger's placement attempt was blocked, but the Eagles held a quick 6-0 lead.

EAGLES DRIVE 86

The Eagles had to drive 86 yards for their second period score after a Patton punt put them back on their own 14. The big play in the drive was a screen pass from Tanger to Bill Hinkle which covered 31 yards. Hinkle ground out 30 more yards in the drive, including a 15-yard run over right tackle on a trap play for the touchdown. Tanger's placement was good this time, but a 15-yard penalty nullified the extra point. The Eagle quarterback then missed his second attempt.

On the first play following the ensuing kickoff, Hinkle intercepted a pass and raced 45 yards for an apparent score. Another 15-yard penalty on the Eagles nullified the run and time ran out in the first half.

It took only six plays following an interception by Tom Harbold for the Eagles to hit pay dirt in the third quarter. Harbold's interception gave Bermudian the ball on the Patton 30, and a 14-yard run by Mike Hertz on a pitchout was the big play of this short drive. Hinkle got the six points on a plunge from the one. Tanger skirted left end for the bonus point and the Eagles held a comfortable 19-0 lead.

LEMMON RECOVERS

Joe Lemmon, Junior tackle, recovered a Patton fumble early in the fourth period to set up the Eagles' final score. Lemmon pounced on the loose ball on the Patton 14 and two plays later Hertz went five yards to score behind blocks by Terry Lehmer and Jim Lerew on the right side of the Bermudian forward wall. Tanger passed to Keith Stambaugh for the extra point and the Eagles led 26-0.

Following the kickoff, Doug Kneiss set up the Patton score with a 40-yard scamper. "Butch" Aughinbaugh caught Kneiss from behind but three plays later Patton scored on a pass from Bob Collins to Jim Corner. Collins' placement attempt was no good and the Eagles had their second victory of the season.

STANDOUT PERFORMERS

Harbold, Stambaugh, Lemmon and Paul Middour were outstanding for the Eagles on defense, while Hinkle and Hertz earned the plaudits of Coach Tom Schreiner for their fine running.

The Eagles will be trying to even their record at 3-3 when they travel to New Bloomfield on Saturday afternoon to meet Carson Long.

PALMER WINS GOLF TOURNEY

VIRGINIA WATER, England (AP) — Arnold Palmer said today he intends to borrow some of the old Burma Road when he builds his own golf course, and that will be soon.

The American Masters' champion, first holder of the new unofficial World Match Play championship, said his triumph Sunday over Wentworth's 6,936-yard layout has given him some new ideas. The course is known to British golfers as the Burma Road — a name given to it by Army officers who served in the Far East.

Palmer defeated Britain's Neil Coles 2 and 1 in the 36-hole final and added another \$14,000 to his year's winnings which now total \$124,000.

"That 13th, that 14th, what great holes," he said. "There are a few others I'd like to borrow, too, but not the 12th which seems to be just a little unfair."

The 12th hole is 480 yards long and has a line of fir trees right across the fairway.

Warriors Top Susquenita 14-0 On Two 2nd Period Touchdowns By Finkboner

Gettysburg High School, scoring twice in the second period, moved into a four-way tie for second place in the Blue Mountain League by defeating a game, small Susquenita squad 14-0 on a cold, windswept field at Per-dix Saturday afternoon.

The man who did the scoring was quarterback Dick Finkboner. The man who set the stage for the scores was Mike Herring. The men who held the Blackhaws to a low seven yards rushing were the seven men up front.

Finkboner and Herring ran extremely well all afternoon and received some fine blocking at the same time. The linemen started out slow, but came through with flying colors once they became accustomed to the coldness. Several unnoticed performances were also taking place in the Gettysburg defensive secondary. Ron Plank, who is becoming more of a defensive specialist rather than the hard-charging fullback he is, was all over the field breaking up passes. He had a good day for it, as 30 were thrown by Susquenita.

NEWMAN INTERCEPTS

Both teams had trouble hanging onto the ball throughout the early moments of the first period. However, toward the end of the frame, Ron Newman intercepted a Pat Sload pass to give the Warriors possession on the Gettysburg 27. Gettysburg took 13 plays to march the pigskin to the Blackhawk 12 as the second quarter started. The new period opened with Gettysburg losing the ball following four unsuccessful downs.

Three plays later, Susquenita's Sam Aust went back to punt and received a bad snap from center. In his attempt to run the ball he was pulled down and fumbled on the Susquenita six.

On Gettysburg's first play from scrimmage, with 9:47 to go in the half, Finkboner slanted off the left side of the line and barreled into the end zone for the score. The big quarterback also booted the placement and Gettysburg led 7-0.

The Warriors came back six minutes later to score the only other touchdown of the game. Mike Herring returned an Aust punt 21 yards to the Susquenita 32. Finkboner went off right end for 11 yards. Then on four successive plays, two rushes and two passes, Gettysburg advanced the ball to the eight. Again Finkboner passed this time incomplete, and then hit the center of the line three straight times before crossing the goal line on the third try from the one-yard line. He scored his 14th point of the day on the conversion kick. The score came at the 3:13 mark of the half.

G-BURG HOLDS

Susquenita opened the second half by recovering a Gettysburg fumble on the Warriors' 33. Four plays later the Blackhaws had the pigskin on the Gettysburg nine with a first down. Larry Stephens moved to the five, but Barry Bornman was tossed for a six-yard loss on the second play. On the third play, Sload was driven for a 10-yard loss and on the last down, Sload tossed incomplete to give Gettysburg the ball on the 21 after a tremendous defensive exhibition.

The entire fourth period was played deep in Susquenita territory. The Blackhaws were unable to move the ball out and Gettysburg was unable to cross the goal line. Coach Don Young also utilized an entire bench.

MOTHER SAID 'BE BIG STAR' OR QUIT ACTING

By BOB THOMAS
AP Movie-TV Writer

HOLLYWOOD (AP) — Says Robert Vaughn: "The only advice my mother ever gave me was to be a big star or else get out of the acting business. It wasn't worth it otherwise."

Vaughn just might make it. At least he's off to a good start as the super-spy-super-lover on NBC's "The Man From U.N.C.L.E." This is not Uncle Sam, but a super-national agency designed to stamp out nefarious doings by international troublemakers.

FLEMING PLOTS

Many critics pointed out the series seemed bottled in bond, and there are indeed similarities to the Ian Fleming novels: Outrageous plots, susceptible beauties, a super-evil agency named Thrush (James Bond's nemesis is Smerch). But then, Bond borrowed from Sam Spade, Spade from Sherlock Holmes, etc. And the late Fleming had a hand in shaping the series.

The similarity doesn't bother Vaughn, the intrepid Napoleon Solo of U.N.C.L.E. "I never read the Fleming novels," he says, "but I did see the two movies ('Dr. No,' 'From Russia With Love') and I hope we are compared to them."

Nor does Vaughn seem dissuaded from fulfilling the positive side of his mother's advice. His hopes for the series: "To make me the biggest star in the business."

SEE BIG CHANGE

He figures this is his best chance. He started acting when he was 11; both his parents were in the business — "but working actors who had to worry about where the next job was coming from."

That has never been a concern of Vaughn's.

"I got my first contract with Hecht-Lancaster and Columbia two months after I got out of college," he says. "I've been under contract or working ever since. (He's now 31.) The parts have grown better and the pay higher. So except for that first two months, I haven't really suffered."

But he nearly got sidetracked from his aim. He drew an Academy Award nomination for his drunk in "The Young Philadelphians," and that seemed to type him as a character actor. Then he spent a miserable season last year as second banana to Gary Lockwood's "Lieutenant," escaping when the show was dropped.

BONN, Germany (AP) — East Germany has released 800 West German political prisoners in return for West German merchandise, including butter and other needed foods.

An official of the All-German Affairs Ministry said the deal involved several million marks worth of commodities. A mark is worth 25 cents.

James MARLOW Reports

By The Associated Press

WASHINGTON (AP) — Neither candidate in this presidential campaign has uttered a truly memorable phrase. It may turn out to be one of the most nonintellectual in history.

But that's not the only reason for the dullness of it. President Johnson and Sen. Barry Goldwater have talked mostly in generalities, with the main themes stated so early, and repeated so often, they're monotonous.

A nationwide survey by The Associated Press found a broad lack of enthusiasm for either candidate. Former President Dwight D. Eisenhower, asked if he thought the candidates and

their running-mates were getting too personal, said last week: "I don't know. Something's wrong. It's confusing. I just can't define the issues."

MAIN DIFFERENCE

Nevertheless, there is this main difference between the candidates.

Goldwater wants a smaller government, less dependence by the states on Washington, elimination of some programs, and rebukes for the Supreme Court, with promises to change its make-up and undo some of its decisions.

Johnson envisions continuation of big government with more and broader programs as he thinks necessary for the welfare of the people.

WHICH IS RELIABLE

Goldwater says: "We want to give the government back to the people." Johnson says: "Americans are faced with a concerted bid for power by factions which oppose all that both parties have supported."

The main question, as in all presidential campaigns, is: Which man do the voters have more confidence in? Each of the candidates, therefore, insists he's the reliable one.

In the course of this Goldwater, labeled "impulsive" by the Democrats, says it's not he but Johnson who is "impulsive." Johnson tries to diminish Goldwater's importance by dismissing him as "reckless."

REMEMBER IKE

This is hardly an exciting dialogue. Both men, apparently aware of how the whole thing drags, have tried a touch of the spectacular. Both remember how Eisenhower made a big hit in 1952 by promising to go to Korea if elected.

Now Goldwater says he'll send Eisenhower to South Vietnam if he's elected, although he didn't ask Eisenhower how he felt about it. And Eisenhower hasn't said if he'd go.

Johnson has let it be known that if he's elected he'll go to

Europe in November or December for a big NATO conference. Not to be outdone Goldwater says he has his own plans for a NATO meeting if he's elected.

FINDS NEW THEME

Both have discussed the war in Vietnam. Neither has produced any positive solutions. Both insist they would be staunch guardians against Communist encroachments, although no presidential candidate could promise less.

Goldwater more recently found a new theme: He charged Johnson's administration with being "soft on communism." Again Johnson downgraded the notion by suggesting Goldwater think about it and then drop the subject.

The Social Security system became an issue — or at least a talking point — after Goldwater suggested making it voluntary. He got a bad reaction and now both men protest they want to strengthen it.

Johnson says prudence and

progress are the watchwords of his administration. Goldwater insists he is "preoccupied with peace." Goldwater has drummed away on the suggestion that the "shadow of scandal" is over the White House.

ONE WASN'T CHANGED

He keeps on saying it, without producing one item of proven wrongdoing, and is now suggesting it's up to public officials to prove their innocence. Johnson hasn't tied scandal to Goldwater but suggests his election would be a disaster.

Some of Goldwater's favorite topics, all of which he has called issues, are crime, "slaughter in the streets," morality in government, control of nuclear weapons, the Viet Nam war, and whether "we take the path to socialism."

Goldwater has been saying all these things for weeks. Johnson has been firing back at intervals but now, with election less than four weeks off, he's campaigning in earnest.

KEN BOYER IS HERO AFTER GRAND SLAM

By JIM HACKLEMAN
Associated Press Sports Writer

NEW YORK (AP) — On Ken Boyer, a hero's mantle looks much more appropriate than goat horns.

The St. Louis Cardinals' All-Star third baseman is a hero today, but he could well have been a bust. He propelled a change-up from Al Downing into Yankee Stadium's lower left-field seats for a grand-slam home run in the sixth inning Sunday, giving the Cards a 4-3 victory over the New York Yankees and evening the World Series at two games each.

In the first inning, Boyer made a bad throw in a rundown and the Yankees went on to their three runs. And before his four-run homer, he had gone 1-for-13 in the Series, and was on a string of 12 hitless appearances.

But that one swing turned goat into hero and hitting flop into hitting star. And even for a 10-year veteran like Boyer, it was a tension-filled experience.

"I remember ducking into the dugout and Johnny Keane (Card manager) saying something to me. I couldn't hear him because of the din, and I tried to ask him what he had said. But my mouth was so dry I couldn't say anything."

"It's an emotional feeling you simply can't describe."

Although he is the Cards' cleanup man and leading power hitter, Boyer doesn't rate himself a slugger.

WIND HELPFUL
"I'm no home run hitter," the 33-year-old Missourian told newsmen crushed around him in the dressing room. "I'm a line drive hitter. I don't get the ball up high enough."

There was no question that Sunday's decisive blow was high enough — or far enough. But there was some doubt about it being fair.

"I knew I hit it good but I was afraid it would go foul. It started to hook but the wind caught it and kept it fair."

Ken Boyer, whose bases-filled home run powered the Cards to the 4-3 victory, was the National League co-leader with Houston's Bob Aspromonte during the regular season. Each hit two grand slams, Boyer getting his off the Mets' Bill Wakefield on July 18 and off Philadelphia's Dennis Bennett July 25.

Sidelights Of The Series

NEW YORK (AP) — Figuring the Series:

Yankee slugger Mickey Mantle, who established a Series record by hitting his 16th homer Saturday, extended two more of his career marks Sunday. He walked twice and struck out once, lifting his Series totals to 41 bases on balls and 50 strikeouts.

Winning pitcher Roger Craig collected his only other Series triumph while pitching for the Brooklyn Dodgers against the Yankees in the fifth game of the 1955 classic. He started and worked six innings in a 5-3 victory. Two days later, Johnny Podres blanked the Yankees, 2-0 for Brooklyn's first world championship.

Thirty-five years ago today the Philadelphia A's scored 10 runs in the seventh inning to overcome an 8-0 deficit and defeat the Chicago Cubs 10-8 in the fifth Series game.

Dick Groat and Tim McCarver of the Cards and Bobby Richardson, Elston Howard and Mickey Mantle of the Yankees have hit safely in each of the four games.

RICHARDSON TAKES BLAME FOR YANK LOSS

By TOM PENDERGAST

NEW YORK (AP) — Reporters forced four men into corners Sunday: Two relief pitchers with so-so records, a big third baseman and a quiet second baseman.

"Poor Ken Boyer," said the second baseman, Bobby Richardson of the New York Yankees. "He hit the ball pretty good, and it seems everyone's here."

Richardson was taking the blame for the fouled-up double-play attempt that led to the St. Louis Cardinals' 4-3 World Series victory on Boyer's grand-slam home run.

SHOOK OFF HOWARD

The man who threw Boyer's home run ball, the left-handed Downing, said Yankee catcher Elston Howard had called for a fast ball and he waved it off.

"I'd gotten Boyer twice before on fast balls," Downing said, "but in a situation like that, when you think the guy is anxious, you try to get him to hit a bad pitch. I was trying to set him up for something, but he got that inside change-up."

The man who set up the situa-

tion for Boyer's blast took it calmly.

"MY FAULT"

Besieged by reporters, Yankee second baseman Richardson took all the blame for his error at second on what appeared to be an inning-ending double-play ball in the fateful Cardinal sixth.

"It was a ground ball hit to my right and I did not field it cleanly," Richardson said. "It got stuck in my web. As Phil (Linz, the shortstop) came across, I hesitated, throwing off his timing and when I threw it with my glove hand, (Curt) Flood hit Linz and he couldn't handle the throw."

"It was my fault all the way."

Boyer's game-winning grand slam, only the ninth in World Series history, followed.

QUEBEC IS OFF TO FAST START

By THE ASSOCIATED PRESS

The Quebec Aces is off to a fast start in the American Hockey League. The season only opened last Friday night, but already the Canadian team has won its first three games.

Their third straight victory came Sunday with an 8-3 romp win over Providence. In Sunday's other AHL games Buffalo edged Rochester 3-2 and Cleveland downed Springfield 4-2.

Billy Sutherland, Terry Gray and Wayne Hicks each scored

two goals for Quebec, but for a time the Aces lost their veteran goalie, Gump Worsley. He was knocked unconscious during a scramble in front of the cage in the third period and was replaced by 17-year-old Michael Beanlieu. Gump recovered later in the dressing room.

Ray Cullen rapped home what proved to be the deciding goal in Buffalo's triumph over the Amerks. It gave the Bisons a 3-1 lead and offset Pete Stenkowski's goal for Rochester with four seconds left.

Bill Szura snapped a 2-2 tie with a third period goal at 8:19 for Cleveland's winning goal against Springfield. Bob Courcy gave the Barons an insurance goal in the last eight seconds.

Male pattern baldness is the cause of a great majority of cases of baldness and excessive hair loss, for which neither the Ebb method nor any other method is effective, and the Ebb method will not help those who are sick bald after years of gradual hair loss.

If your scalp is still creating hair and you have dandruff, or excessive hair fall, excessive oiliness, dryness, or itchy scalp, you should take 20 minutes of your

time to see what you can do. Many have reported satisfaction from the Ebb Scalp Method. Why burden yourself with unhealthy hair and scalp? It costs you nothing to come in and learn how many people have been helped by the years of Ebb experience. Why not take advantage of this wonderful opportunity for help?

PRELATES ASK WIDER ROLE OF LAY CATHOLICS

By GERALD MILLER
VATICAN CITY (AP) — A growing number of prelates at the Vatican Ecumenical Council called Friday for a wider and more vital role for laymen in the Roman Catholic Church.

There also was widespread criticism of a council schema attempting to define the layman's role.

One after another, cardinals, archbishops and bishops rose in St. Peter's to criticize the schema as inadequate, outdated and patronizing.

Nearly all the 19 speakers expressed criticism of the draft document, adding their objections to that by 27 other prelates who spoke Thursday and Wednesday.

WILL BE REVISED

The tone of the debate, as reported to newsmen by council press spokesmen, indicated anew that the schema — already four years in preparation — would undergo total revision.

Much of the criticism was that the schema reflects clerical emphasis on the duties of the laity, the vast body of half a billion Roman Catholics, without sufficient attention to views of the laity itself.

No votes were taken in the council Saturday as it in effect completed its second year of work. The third anniversary of the council falls Sunday, but there will be no session until Monday. Pope John XXIII formally opened the council on Oct. 11, 1962.

When the council resumes Monday, debate on the apostolate of the laity schema will continue.

Pearl S. Buck Is Honored At Dinner

HARRISBURG (AP) — The Pennsylvania Department of Public Instruction honored novelist Pearl S. Buck at a dinner ball Friday night for her work in providing educational opportunities for handicapped children.

Miss Buck, a resident of Bucks county, is chairman of the Governor's Committee for the Handicapped and a former member of the state Council of Education.

A citation was presented to her by Dr. Neal V. Musmanno, deputy superintendent of public instruction.

Miss Buck was cited for "inspirational leadership and assistance in providing educational opportunities for handicapped children."

Block Out Ballot To Avoid Dispute

PHILADELPHIA (AP) — The county board of elections is taking no chances on another voting dispute like the one in the primary election last April.

That one is now before the U.S. Supreme Court, which has been asked to validate votes cast by thousands of Philadelphians in so-called "blank" voting spaces on 1,548 of the city's 3,500 voting machines.

County commission chairman Maurice Osser revealed Friday that the board is having metal strips inserted in those 1,548 machines, locking out spaces meant to be blank in the forthcoming Nov. 3 election.

The safety precaution will cost the city \$3,500 he said.

The other machines have lock out devices built in.

NICOSIA, Cyprus (AP) — More than 10,000 Greek Cypriots are expected to take part Sunday in a protest march against British bases on Cyprus. A British spokesman warned the demonstrators will be stopped if they stray from the planned route.

BUDAPEST Hungary (AP) — The recent accord between the Vatican and the Hungarian Communist government has opened the way for similar church-state agreements in other Soviet-bloc countries, Hungarian church leaders said Friday.

Talks between the Vatican and Hungary's Red regime on yet unsolved problems probably will be taken up next spring, the spokesman said.

TAIPEI, Formosa (AP) — President Chiang Kai-shek ridiculed Saturday Mao Tse-tung's claims to territory outside the present mainland boundaries of Red China as preposterous.

Chiang assailed Mao as Nationalist China celebrated the 53rd anniversary of the Oct. 10 overthrow of the Manchu dynasty that led to the establishment of the Republic of China.

Mao's latest claim is to some Siberian frontier territory of the Soviet Union that was once held by the Manchus.

BONN, Germany (AP) — West Germany was keeping its own counsel today on whether James B. Donovan, the American who arranged the release of prisoners from Cuba, had a hand in freeing 800 Germans from Communist jails in East Germany.

Karl Guenther von Hase, press chief to chancellor Ludwig Erhard, said Friday the best comment he could make about the present deal was: "Silence is golden."

LOS ANGELES (AP) — A lost dog lived three months on her own, dodging jets, eluding would-be captors, and living on garbage scraps and runway rabbits at Los Angeles International Airport.

Finally, with a well-baited wire-cage trap, animal shelter workers Thursday trapped her. And here's what they found:

"She's a nice, gentle German shepherd," said an attendant. "But the jets must have scared her half to death. She's terribly nervous." At the shelter she calmed down.

Airport police had tried repeatedly to catch her, afraid she might get caught in a jet's intake.

She will be kept for a week, after which she will be put up for adoption if her owner fails to show.

WON'T CLOSE FORT BECAUSE OF MENINGITIS

WASHINGTON (AP) — The Army has rejected demands by three California congressmen that Ft. Ord in California be closed because of an outbreak of meningitis.

Announcing the decision Friday night, Secretary of the Army Stephen Ailes said that the problem at Ord "appears to be under control."

Later, however, Gov. Edmund G. Brown of California announced in San Francisco that he had wired Ailes urging that the vast training base 100 miles south of San Francisco be quarantined because two civilians in the San Francisco Bay area "were stricken with meningitis after contact with soldiers recently returned from duty" at the post.

84 STRICKEN

A total of 84 men have been stricken at Ord this year, 13 of them fatally. This brought demands by Republican Reps. John F. Baldwin, J. Arthur Younger and Charles S. Gubser, all of California that the base be shut down. And the California Health Department expressed deep concern over the situation.

Honor Organist For 70-Year Service

ATLANTIC, Iowa (AP) — Seventy years ago, as a girl of 9, Clara Otto sat down at the Zion Lutheran Church organ to play for a wedding.

She did such a good job that she has been the church organist ever since.

At a special service Sunday, Clara, now Mrs. Schelm, will be honored for her 70 years as the church's organist.

The Rev. O. R. Harms of St. Louis, president of the 2.6-million member Lutheran Church-Missouri Synod, will be present.

Mrs. Schelm estimates she has played for more than 5,000 church services, weddings and funerals. She still plays for both Sunday morning services and an evening service once a month.

ILLINOIS IS STUNNED 26-0 BY BUCKEYES

By BOB HOOBING

See! This really IS unbeaten Ohio State's year to pass! Why, Coach Woody Hayes doesn't even get air sick anymore when one of his quarterbacks cocks an arm.

Sharpshooter Don Unverferth is Hayes Exhibit A in his defense against charges of ultra-conservatism. A nationwide television audience can serve as jury Saturday when the Buckeye Big Ten leaders play host to Southern California in an inter-sectional test.

With judicious use of the forward pass, the option threat of the Unverferth rollout and the play execution which has become a Hayes trademark, fourth-ranked Ohio State stunned Illinois' No. 2 forces 26-0 in the big conference showdown this past weekend.

GAINED MOST IN AIR

The Bucks threw for more yards than they ran, 130-116, with two completions going to tackle-eligible Jim Davidson. And this is the team where it was once rumored a pass call in the huddle was punishable by benching.

With Ohio State an exception, most football powers get down to grass-roots campaigning this week led by top-ranked Texas, which faces ninth-rated Arkansas. If the Longhorns are to be tackled short of a second straight national title, the Razorbacks are given the best chance to do it.

Texas beat Oklahoma 28-7 for its 15th straight victory while Arkansas downed Baylor 17-6. Illinois' Rose Bowl champions have a must date with Minnesota, seventh-ranked Michigan is visited by rugged Purdue and surprising Iowa invades Wisconsin in the Big Ten this week.

Alabama, voted third in the most recent poll, knocked off previously unbeaten North Carolina State 21-0 with a little help from ailing Joe Namath and now takes its 3-0 SEC mark against defensively tough Tennessee.

nessee, Georgia Tech comes off its conquest of Navy to tangle with Auburn, which is minus the services of All-America quarterback Jimmy Sidle due to a dislocated shoulder.

Unbeaten LSU visits fifth-ranked Kentucky, picking up the pieces from its 48-6 pasting from Florida State. After handing Ole Miss its second SEC defeat, 30-14, Florida takes on South Carolina.

Other headline conference games list North Carolina State at Duke for the Atlantic Coast lead and West Virginia at Virginia Tech in the Southern.

Syracuse bombed UCLA out of the undefeated-untied class 39-0, stopping national top offense leader Larry Zeno cold.

BRONCOS DUMP KANSAS CITY'S CHIEFS 33-27

By TED MEIER

The Praying Colonels of little Centre College down Kentucky way astounded the collegiate football world by beating mighty Harvard 6-0 in 1921.

Now, it may be the Praying Broncos of Denver who will surprise the American Football League.

Beaten in 14 straight games the Broncos opened the regime of new Coach Mac Speedie by whacking the Kansas City Chiefs Sunday 33-27 before 16,283 who, Speedie said, "sounded like 50,000 yelling for us."

And just as the Centre Colonels prayed before each game, so it will be for the Broncos from now on, Speedie said.

CAME FROM BEHIND

"We weren't praying for victory," Speedie said of the team prayer Sunday. "We asked for a spirit of unity, that we would look good and try to win."

The Broncos looked good all right. They came from behind a 12-12 halftime deficit and roared to a 33-13 lead in the fourth quarter on Lionel Taylor's sensational catch of Jack Lee's 39-yard pass as he fell into the end zone.

Mitchell's 58-yard touchdown run helped in the Denver triumph.

"This was a victory by 34 players and four coaches and Jack Lee was the general," Speedie said.

The Buffalo Bills walloped the Houston Oilers 48-17 in Sunday's other AFL game for undisputed possession of first place in the Eastern Division with a 5-0 mark. The Boston Patriots, now 4-1, fell out of a tie by losing to the San Diego Chargers 26-17 Friday.

ings remained stable in both Northern and Southern Divisions.

Doing what was expected of them, the Jersey Giants bombed their Harrisburg visitors, 34-12, while the Newark Bears traveled to Hazleton and drubbed their hosts, 31-19.

The action left the Giants and Bears tied for first spot in the Southern Division with 7-1 records.

In the northern loop, Boston also did its duty by downing Westchester, 29-14, and remaining on top with an 8-1 mark.

This left Providence no chance to share first place this week regardless of the outcome of its Monday night home game against Springfield.

Telephone Threats Worry Security Men As Johnson Campaigns In Southwest

LOS ANGELES (AP) — Two anonymous telephone warnings and a brush with a placard bearer worried President Johnson's bodyguards during his Western campaign swing, but no trouble materialized.

A youth whose Goldwater-Miller placard grazed the President's hat Sunday in Phoenix was released by police after questioning.

Police found a revolver in a pocket of another youth. He said he was carrying it to protect the President. Phoenix police released him later on bail.

WARNS OF DANGER

As the President rode through the Long Beach, Calif., area later in the day, Secret Service men were aware that local authorities had received reports of two telephone calls, one warning directly and the other indirectly that the President's life was in danger.

A Secret Service man stood in the car following Johnson's, holding an automatic rifle. Normally such weapons are carried out of sight.

In Phoenix, detective Andrew Watzek said that on Johnson's airport arrival he noticed a bulge in the right trouser pocket of Clarence R. Fetzer, 18, and found a 22-caliber revolver inside.

BRUSHED BY SIGN

Fetzer, booked for carrying a concealed weapon, was later released on \$300 bail.

Thirty minutes later, Thomas Lee Wilkins, 17, of Phoenix, was arrested when two policemen saw him swing a Goldwater-Miller placard that brushed the President's hat as Johnson walked along a fence shaking hands.

The President fended the sign off with his hands and said the incident was an accident.

"I wasn't hit," he said. "They just push. They always do."

Wilkins was released after questioning by Secret Service agents.

FIND MISSING MAN

In Los Angeles, the sheriff's office issued an all-points alert

Sunday after it received an anonymous telephone call that a man who disagreed with President Johnson's views was missing from his home, along with his rifle.

The man was found in his home later. He said he hadn't gone near the President. He gave no explanation for the rifle in his car, deputies said. The man was not arrested.

Long Beach police said Friday a telephone company operator told them she received a call from an anonymous man who said:

"President Johnson will not live through his trip through Long Beach."

Police checked the area in nearby Los Alamitos from which the operator said the call had been received but found nothing.

3 IN FAMILY DIE IN BLAZE

HANCOCK, N. Y. (AP) — Two young brothers and a sister perished Sunday when fire destroyed their home about five miles from this Delaware County community.

State police said the victims were Judith Ann Geer, 11, and her brothers, Richard W., 10, and Walter R., 2. They were the children of Mr. and Mrs. Richard Geer.

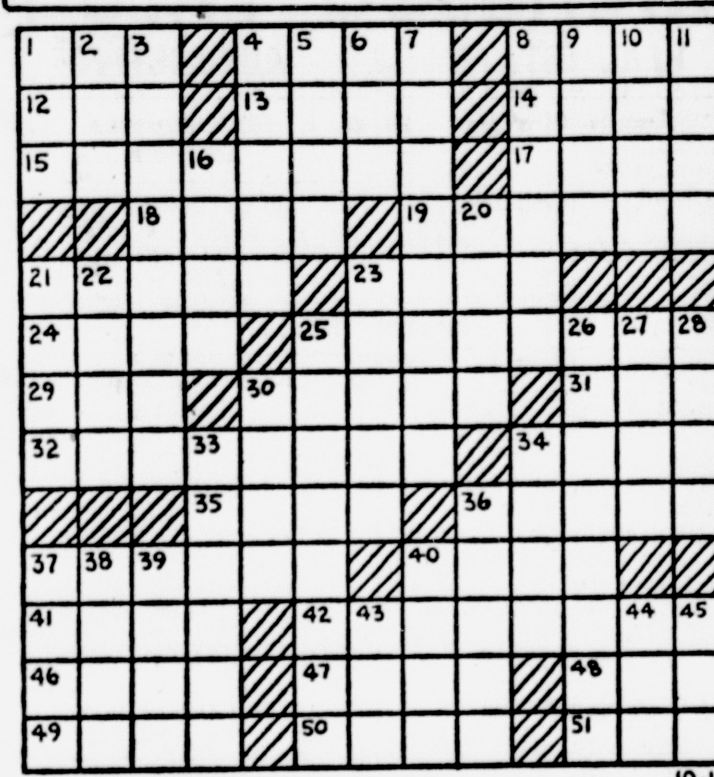

The bodies of the children, who had been asleep in an upstairs bedroom, were not discovered for hours after the blaze was extinguished.

Their mother, Joyce Ann, 33, discovered the blaze near their bedroom.

Geer escaped by jumping from a second-floor window and rescued his wife with a ladder. The police said flames and heat prevented him from rescuing the children.

He suffered cuts on both hands, Mrs. Geer, who is expecting another child in about a month, was hospitalized at near-
